Impressions Dance Studio Policies and Requirements

KEEP THIS FOR YOUR RECORDS

- First month's tuition is required at time of registration in order to hold your dancer's spot. This payment is nonrefundable as it holds a spot in classes.
- Tuition is due by the first class of every month. We accept cash, check and credit. There is a \$15 late fee for any late payments. If your tuition is more than two months past due your dancer will not be permitted to participate in dance classes. There is a 10% discount for anyone who chooses to pay the year in full (cash or check only). There is a \$20 fee for any bounced checks.
- Both May and June tuition is due by the first week of May in order to purchase recital tickets.
- In case of injury you are still required to pay tuition for those missed classes. The missed classes may be made up. We require a note from a doctor if your dancer is going to sit out of dance classes or miss because of an injury. We also need a note clearing your dancer to participate in classes again.
- \$60 costume deposits are due by October 30th the latest in order for your dancers costume to be ordered. A deposit is required for every dance class your dancer/dancers participate in. All tuition and fees must also be up to date in order for dance costumes to be ordered. There will be a \$15 late fee added to all costume deposits paid after October 30th.
- Dancers are required to wear dance attire at all times, including hair pulled up for all ages. If a dancer is not dressed appropriately they will have to sit and watch class. The dance class requirements can be found on www.impressionsdancestudio.com
- The holiday schedule as well as our "important dates" will also be posted on our website by September 2019.
- In the case of studio closings due to winter weather conditions please check your email for updates.
